

ACTIVITIES FOR PARENTS – feedback

1. A book a way to fight the boredom

- Planning joint work
- Engaging parents in class and school work
- Promoting reading

Parents read aloud children's books and school readings. Meetings take place in the school library.

2. Healthy breakfast

- Engaging parents in class and school work
- Promoting healthy eating

Modification of the exercise - the student's mother suggested classes in her Culinary Workshop. It was a healthy lunch prepared by the students.

3. Let me tell you about my job.../vocational consulting

- Allowing parents to inspire children
- Engaging parents in school life
- Using parents' knowledge
- Planning joint work

Eager parents with interesting work told students about their activities. Students were introduced to such professions as:

- Policeman
- Lawyer
- Prosecutor
- Judge

During a trip to the District Court for Łódź Śródmieście.

4. Meetings of parents and teachers

Monthly meetings of teachers with parents, information on learning progress, behavior at school.

During the piloting process, cooperation with parents was helpful. Students whose parents are involved in school life are more likely to achieve better learning results, have better social skills, behave better and, above all, do not miss classes, regularly attend school.
